**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who chose a competitive provider in order to promote small, local business. I currently use competitive DSL, but appreciate the possibility of changing to fiber. I also have competitive telephone service.

For all these reasons, I support broadband competition AND I say NO to price hikes that will increase the cost of internet and telephone services.
